

I would like the wisconsin No Call List to remain as it is. I recently moved and was therefore off of the list for a brief period until my new number could be submitted, and I was appalled by the number of calls I received, mostly from rude telemarketers who wouldn't stop talking long enough for me to tell them to remove me from their list. I value my privacy and my right to be left alone in my own home. Please leave wisconsin's popular law alone.
